

## **Polite Reminder**

Please can we politely remind Parishioners with dogs, when walking through the Parish Cemetery to ensure that all dogs are kept on a lead at all times and walk on the designated path only. It is **essential** that you pick up after your dog should they foul in the cemetery.

Many thanks for your assistance on this matter it is important as we all like to keep our Parish Tidy.

Many thanks  
John Le Bailly  
Connétable de Ste Marie
