

# The Community Hub at Maison des Landes

Jersey's new social space and meeting place

Accessible to all

We are excited to announce that The Community Hub is opening to local community groups, charities, disability organisations and individuals.

Users will have the opportunity to either participate in a varied programme of interesting activities or simply meet and chat with faces old and new. Community Hub users can also enjoy the large tranquil gardens, a wellness room and accessible hydrotherapy pool.

Our wonderful Chef, Martyn, will prepare a delicious 2 course lunch for everyone.

**From 4th October, The Community Hub will be open on Wednesday, Thursday and Friday every week from 11am.**

**If you'd like to come and join us or want more information, please call us on 01534 481683**
